SUSHI-ZEN JAPANESE RESTAURANT CELEBRATES 20 YEARS BY SUPPORTING ARLINGTON'S NON-PROFITS

Twenty years ago, in June 1997, a first generation Japanese immigrant put down business roots in Arlington County by opening Sushi-Zen Japanese Restaurant. Sushi-Zen, located in the Lee Harrison Shopping Center, offers delicious and healthy Japanese cuisine. Shoji Mochizuki, Sushi-Zen’s co-founder, is grateful to be living his “American Dream” and the opportunity to provide an enjoyable dining experience and jobs for a diverse workforce within the Arlington community.

The Mochizuki Family (Shoji, Rosie, Brian and Malinda) will kick off Sushi-Zen’s 20th anniversary giving back celebration in June by hosting multiple fundraisers over the next year for Arlington non-profits and educational organizations addressing local community needs. One of Sushi-Zen’s goals during this year of celebration is generating support for causes dedicated to fostering the next generation of America’s youth.

Sushi-Zen is looking to increase its fundraising impact by connecting with foundations and other businesses that can contribute matching funds to the organizations participating in the 20th anniversary giving back campaign.
